

About

My family's visit to Taj Mahal, India
on Christmas Day, 2010

I am a senior lecturer at Universiti Putra Malaysia (Serdang campus at Selangor). My field of expertise is in crop modelling, environmental biophysics, and soil conservation. Thus, I teach and research in those areas at my university.

I am married and have a son.

I can be contacted by telephone at: +60-(0)-3-8947-4858, or by fax: +60-(0)-3-8940-8316.

Alternatively, you can find out more about me through the following sources:
